# HOW TO USE THIS PLANNER

You're going to LOVE planning in this pretty planner!

The pages of this planner are designed to be printed on 8.5 x 11 paper and cut to 7" x 9.25" for your Happy planner.

These pages are designed with a margin so you can punch holes in the pages and use them in your Happy Planner (or, any 7"x9.25" planning system).

You can print these pages back to front, or you can print one-sided if that's easier for you and your printer. I've included a lined sheet of paper that you can easily print on the backside of these pages so you won't have any wasted space.

I've included four different weekly layouts for you to choose from.

if you take this file to a professional printer, be sure to take the Terms of Service to show the printer. Sometimes, print services won't print files unless they see the copyright agreement. You have the rights to print this file for personal use.

Enjoy!

If you use this planner and share on social media, please tag @shopcarrielle and/or use the hashtag #ceprintableclub - I LOVE to see what you're doing with your printables!
