How to use your Printable Camping Planner

Thank you for your purchase! Your printable Camping Planner is designed to print on 8.5x11 paper. It includes the following pages:

- Cover page and binder strip
- Trip details page
- Camping itinerary page
- Monthly calendar page
- Notes pages
- Master to-do list
- Journaling page
- Camping budget page
- Packing list

Here are the materials I used to print and use these files:
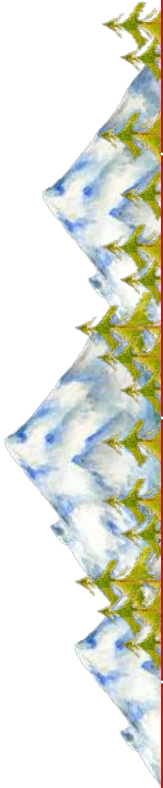

- Printer
- Paper
- 3-hole punch

We recommend printing the pages you need individually. Print as many of each page as you need! The pages are not designed to print on the front and back of the page. However, I like to print the lined note page on the backs of all the pages – that way I have lots of room to write! 😊
